Dear Parent/Guardian

Important information regarding your child's kindergarten year

The Victorian Government provides funding to support children to access a high quality Kindergarten program in the year before they start school. The funding is a contribution towards meeting the cost of the Kindergarten program.

Your child can only be funded for a kindergarten place at one service at any one time and only for one year (unless your child is assessed as being eligible for a second funded year by your child's kindergarten teacher).

In 2020, your child is enrolled to attend our kindergarten program and we will be claiming funding for your child on your behalf. **Please sign below and return this form to acknowledge that your child is accessing their funded kindergarten place at our service in 2020.**

If your child will be attending another children's service that offers a funded kindergarten program, you must tell that service we will be claiming funding for your child.

The Kindergarten Fee Subsidy (KFS) is available for some children to attend kindergarten for free or at low cost. Your child is eligible if they are Aboriginal and/or Torres Strait Islander, are a triplet or quadruplet, or if you (or your child) hold an eligible concession card. Please notify us if you believe your child may be eligible for the KFS.

Kind regards

Karmai Community Children's Centre

I confirm that my child will be accessing their funded kindergarten place at this service in 2020.
