Dear Parents,

From time to time in 2020 children at Karmai Community Children's Centre will be taking part in local excursions that are within walking distance of Karmai. Such trips involve no transportation costs or admission charges. An example would be a walking trip to the Local Supermarket, Recreation Centre, Library or Primary Schools etc.

As the children, will be leaving Karmai grounds on these occasions, under the supervision of the Educators and Staff, your permission is still required on the indemnity form (on the reverse of this page)

This 'regular outings' form is valid for the calendar year indicated.

This 'regular outings' form reduces the need for a separate form to be filled out every time children leave Karmai grounds under the supervision of Teachers/Educators, for mini local excursions that involve no expense. However, parents will be notified of specific regular outings/excursions via email, electronic notification apps and/or a separate flyer, beforehand so they are fully informed regarding their child's whereabouts.

Thank you for your co-operation.

Karmai Team & Board of Management.
